Thermistor Motor Protection Relays

General Information

Extended Product Type:	CM-MSE
Product ID:	1SVR550805R9300
EAN:	4013614348761
Catalog Description:	CM-MSE Thermistor motor protection relay 1n/o, 24VAC
Long Description:	The CM-MSE relay is from the CM thermistor motor protection relay range. This relay operates with a rated control supply voltage of 24 V AC and has a 1 n/o output contact rated at 250 V / 4 A. It features one sensor circuit for monitoring of PTC temperature sensors or bimetallic strips. This relay offers automatic reset and works according to the closed-circuit principle. A sealable transparent cover for protection against unauthorized changes is available as an accessory.
